LOT - 2023 1/4 oz Armenian Silver Noah's Ark Coin (BU)See Note*

Description

The Armenian Silver Noah's Ark Series has a small coin option called the 1/4 oz silver coin. It was first introduced in 2011 by Geiger Edelmetalle, a company in Germany. This coin has been quite popular and is the second most sought-after silver coin, just behind the 1 oz silver option. - Due to high demand and low inventories of Bullion consignors, shipments may be delayed without notice.
