### Description

Your learners can build friendly fun on the farm with these Barnyard Buddies blocks. Large blocks and special parts allow children to build a busy farm, complete with a big red barn, fence, silo or anything else they can imagine. Children will play out all kinds of adventures as they help the farmer with his chores, or have him visit the friendly horse and chicken. Made for little hands and growing minds, these easy-to-use plastic pieces develop motor skills, problem-solving skills and more. Barnyard Buddies blocks are designed for children ages 1 to 5. Mega Bloks Barnyard Buddies Building Blocks Set.
