LOT - Logitech 5th and 6th Generation Slim Folio for iPad Black

Description

Now you can enjoy laptop-like typing anywhere you take your iPad 5th and 6th generation. This all-in-one case has a slim and light design that makes it easy to use and carry around all while keeping your iPad safe from bumps scratches and spills. No matter where you need to get your work done– a café table desk or even your lap– slim folio locks your iPad at an optimal angle for typing or viewing and holds firm on any surface.
