**LOT 200 - Scanpan Professional 8" Fry Pan**

**Description**

Scanpan spent more than two years researching and developing to create the Stratanium nonstick system from the ground up. Stratanium consists of 5 layers in which hard particles and wave-like layers interlock to reinforce the nonstick layer. This makes Stratanium products have a 50% more durable nonstick than the previous surface. Made In Denmark. Oven and Broiler safe up to 500 degrees. Home - Kitchen Kitchen - Cookware.
